

ColorRange

```
classDiagram
    class ColorRange
    class DefaultColorRange
    DefaultColorRange --|> ColorRange
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'ColorRange'. Below it is a gray rectangular box labeled 'DefaultColorRange'. A vertical blue line connects the bottom of the 'DefaultColorRange' box to the bottom of the 'ColorRange' box, ending in a blue arrowhead pointing upwards. This represents that 'DefaultColorRange' is a subclass or inherits from 'ColorRange'.
